

Dear Students,

We hope you have chosen your undergraduate course and college. We are sharing with you the list of educational institutions in which admission forms can still be filled. You may visit their website for further information. Right choice is the key to fulfilling your dreams.

D.U.colleges have a quota categorised for ECA and their last date of registration is 31st August.

The applicant has to go through a couple of auditions and has to submit all certificates based on which points are earned. These points along with a minimum percentage of class xii marks are responsible for the admission.
