

**Vice Head Girl**  
**Aditi Singh**

“To unseal the potential in others, is to reveal the leader in you.”

As a young girl, I always dreamt to grow up to be a leader, to break the boundaries and set exemplary examples and stand on the same stage as so many brilliant minds stood on before. Today, I feel privileged to stand as the Vice Head Girl of Seth M.R. Jaipuria School for the year 2022-2023. This school has given me more than I could have even asked for and has carved in me a tendency of dreaming to reach pinnacles.

I would like to express my sincere gratitude to Principal ma'am and all the teachers for having faith in me. I am aware that my actions shall leave behind vivid footprints and thus, I look forward to inspiring others through my actions.

And a short message to my fellow Jaipurians. The world might try to pull you down, and no matter how much you want to give them a taste of their own medicine, do not. They already know what it tastes like. Instead, treat them to yours – armed with kindness, empathy and honesty. Be the reason someone believes in the goodness of people. Remember that you are capable of achieving all the things you set your mind to and most importantly, be yourself. With integrity, insight and a relentless spirit, you can unlock the hidden treasure of your talents and abilities because a bird sitting on the tree is never afraid of the branch breaking, since its trust is not on the branch but on its own wings.

Together, let us take our school to a new zenith of excellence.
